# GAMUT'S COMMITMENT

## INCLUSION, DIVERSITY, EQUITY, ACCESSIBILITY

All individuals regardless of race, gender, gender identity, religion, culture, sexual orientation, and/or disability are welcome to participate in Gamut Theatre programs. Gamut Theatre is an ADA-accessible facility, and we endeavor to make reasonable accommodations to facilitate access. If you need accommodations or require assistance, please contact us. Gamut Theatre Group's mission is to tell classic stories in new and exciting ways. Our vision is a world where all people cherish classic stories and share them with future generations. If you are someone who believes in our mission and shares our vision, we encourage you to become involved with Gamut Theatre.

Gamut Theatre Group's continued commitment to inclusion, diversity, equity, and accessibility has proven, time and again, to be our greatest opportunity. Our creativity comes from individual action, personal convictions, and our need to collaborate. The manner in which we connect our perspectives while encouraging others to share their own perceptions is where we have succeeded in the past and where we hope to head in the future.

Gamut recognizes that demonstrating cultural competency is a process rather than a destination. We embrace an ongoing demonstration of cultural humility as a key facet of our organization, and we are dedicated to the conviction that we as individuals all contribute to our inclusive whole.

As our central playwright has stated:

***Each of us has our role to play.***
